

DRAMA VILLA

A dark, atmospheric photograph of a modern villa at night. The villa features a prominent stone wall in the foreground, a swimming pool, and a large, open-plan living area with a stone fireplace. The text 'DRAMA VILLA' is overlaid in large, white, bold letters across the center of the image.

WELCOME TO DRAMA VILLA

5 Bedrooms villa – ALEOMANDRA AREA

Sitting on the ridge of the hill of Aleomandra in Mykonos yet almost entirely hidden from view, Villa Drama looks straight out to sea and the sunset over the neighboring island of Delos. A 5-bedroom luxury house that celebrates its spectacular view from a grounded viewpoint blended into a sensitively landscaped, stone-walled garden that screens it from the road behind.

The villa is built upon the idea of slow, laid-back summer living, and encourages mindful connection with family, and friends and the freedom to exist peacefully in nature. Form follows emotion rather than function, as every space becomes another opportunity for rest, reflection, and exploration.

WELCOME TO DRAMA VILLA

5 Bedrooms villa – ALEOMANDRA AREA

Inspired by the humble complexity of the traditional island vernacular, the architecture was reduced to 2 small traditionally whitewashed volumes and a third of stone dug from the site, built around a large 'courtyard' living area which is covered by an expansive but lightweight chestnut pergola. This courtyard becomes the focal point of the house, seamlessly connected to the living room and kitchen volumes and looking over the pool and gardens beyond. Beneath the pool garden is the private bedrooms, separated for privacy and quietly enjoying the uninterrupted view over the lower garden to the sea.

Their separation further reduces the overall impact of the house and cleanly divides social and private spaces. This villa encapsulates the island's uniqueness and allows you to experience Mykonos island to its finest!
