## 4 Bedrooms villa – PANORMOS

Panormos is an elegant and quite extravagant Mykonos area with a strong cosmopolitan atmosphere and an exciting party vibe. At the same time, it exudes a unique sense of serenity and tranquillity, if only you know where to look. The hillside no more than 2 kilometres from the infamous Mykonos Panormos Beach which is home to one of the most exquisite Mykonos villas that will sweep you off of your feet with its stunning views of the twinkling Aegean Sea spreading across the horizon until it blurs the borders with the azure of the Mediterranean sky. Beautiful Cycladic architecture, beamed ceilings, and carefully-built stone walls in the exterior spaces to match with the natural surroundings, blending in harmoniously with the wooden details and the earthy tones used all around the property to create an oasis in the heart of an idyllic setting.

## IMPERATORE VILLA

### Why rent Villa Imperatore...

Strategically designed to spoil way beyond just the five basic human senses, Villa Imperatore is the epitome of exclusivity. You may want to take this experience away from your lavish ensuite bedroom and its private veranda and share joyful moments with your loved ones under the pergola or at the magnificent dining outdoor space next to the lounge area. The day can continue with refreshing dives in the infinity pool with stunning views of the archipelago and the small white clouds that reflect onto the cyan waters. Instantly filling your body and soul with a profound sensation – that of absolute bliss and calmness – you are free to give the rest of your daily ventures the colour, shape, flair, taste, and heart beat rhythm you desire.

Mykonos Town is only a short 10-minute drive anyway, while you may even hop on a luxury yacht and set off for a sailing adventure along the Mykonos coastline or across to Delos island only to realise the greatness of ancient Greece, including its history and mythology.
