WELCOME TO GEAS VILLA

11 Bedrooms villa – ORNOS

This exclusive and secluded property is situated on a hilltop overlooking Ornos bay. Geas Villa has eleven double bedrooms with ensuite bathrooms spread on three different levels, a fully equipped professional kitchen and a modern living room. Comprised of the main building plus six standalone guest suites, the expansive property is ideal for friends or large families who'd like to maintain some privacy while holidaying as a group. Inspired by the colours and scents of the Aegean Sea, Geas Villa is designed to invite guests with style. The outdoor spaces are a true testament to the property with panoramic views. The infinity pool is positioned centrally around the rooms with unlimited views of the sea. Following the warmth of the wood, and the path leading to the private beach, the private dock allows exclusive access to the villa by the sea. Style dominates the indoor design of the villa with a minimalistic approach. Amphitheatrically developed, the property is designed in three levels, with the direct sunlight sunbathing the villa throughout the day. Geas Mykonos Villa featuring expansive areas, elegant style and amazing views, ensures your ultimate Mykonian luxury experience.
